Enable a Young Woman in India to Realize Her University Dreams & Change the Course of Her Life!

R. Kalesswari
Bachelor of Commerce

Kalesswari grew up in a poor family. Her father works long hours as a street vendor. She has two sisters. One of them is in school and another is currently attending college. Her parents find it extremely difficult to educate all three girls though on their income. Her father, though poor, longs to provide a good education for all his daughters, which is often not the case for many families.

Kalesswari is an excellent dancer. She participates in every school event. She is driven and often takes initiative in organizing activities. She is applauded often by the school management for her organizational skills. Currently finishing her secondary school studies, her aspiration is to study a Bachelor of Commerce at university so that she may one day become a chartered accountant.

For just $30/month, you can make Kalesswari’s university dreams a reality!

Kalesswari has been selected to join the next batch of Visions university scholars for 2021. Under this initiative, Kalesswari is eligible for financial support to cover her university fees and related expenses, and will receive regular mentorship & counseling, leadership development training, English training, and more. Over the past 5 years, we have sponsored 43 talented youth in India through this initiative, which has enabled recipients to stay in school and manifest their dreams. And twenty (20) of these youth have already graduated and joined the workforce!
