Enable a Young Woman in India to Realize Her University Dreams & Change the Course of Her Life!

K. Elizabeth

BA English

Elizabeth is doing first year of undergraduate studies in a government college. She is a highly talented young woman who is outgoing and service-minded. Her father is the only breadwinner. Her brother is a school dropout.

Her father does not pay her fees, so she asked her relatives to help her to pay her tuition. Sadly, no one came forward to support her. Finally, some of her school teachers mobilized some funds and paid off her first semester tuition expenses. But she is not sure where she will the funds to pay her second semester fees and is very much hoping for Visions to support her so that she can complete her education.

For just $30/month, you can make Elizabeth’s university dreams a reality!

Elizabeth has been selected to join the next batch of Visions university scholars for 2021. Under this initiative, Elizabeth is eligible for financial support to cover her university fees and related expenses, and will receive regular mentorship & counseling, leadership development training, English training, and more. Over the past 5 years, we have sponsored 43 talented youth in India through this initiative, which has enabled recipients to stay in school and manifest their dreams. And twenty (20) of these youth have already graduated and joined the workforce! Please join us by setting up a recurring contribution of just $30/month or annual sponsorship of $360, and we will keep you informed of her progress over the next year!
