Enable a Young Woman in India to Realize Her University Dreams & Change the Course of Her Life!

A. Sathya

Bachelor of Law

Now seventeen years old, Sathya has not had an easy life so far. Her father died when she was only an infant. Her mother is employed as a home maid. She is the only person earning an income in the family, though her wages are meager. Sathya has a sister and a brother. Her sister got married at the age of 15, and her brother is a school dropout who is currently unemployed. While her family resides in a semi-constructed house which is neither safe nor secure and lacks proper toilet facilities, Sathya herself resides currently at a home run by nuns.

Sathya is a bright and strong student. She works hard and takes her studies very seriously. Her aim is to study law at university and one day become a lawyer.

For just $30/month, you can make Sathya’s university dreams a reality!

Sathya has been selected to join the next batch of Visions university scholars for 2021. Under this initiative, Sathya is eligible for financial support to cover her university fees and related expenses, and will receive regular mentorship & counseling, leadership development training, English training, and more. Over the past 5 years, we have sponsored 43 talented youth in India through this initiative, which has enabled recipients to stay in school and manifest their dreams. And twenty (20) of these youth have already graduated and joined the workforce! Please join us by setting up a recurring contribution of just $30/month or annual sponsorship of $360, and we will keep you informed of her progress over the next year!
