Enable a Young Woman in India to Realize Her University Dreams & Change the Course of Her Life!

L. Yazin
Bachelor of Commerce

Eighteen year-old Yazin is from the community of Pudukottai in the southern Indian state of Tamil Nadu. Her parents both work as day laborers, earning extremely low wages and doing back-breaking work. During the pandemic, her parents have struggled even more than usual on account of all the lockdowns, lack of work and paranoia. For a family already deeply afflicted by poverty, the pandemic has made daily life extremely difficult.

Her parents express regret and grief at not being in a financial position to support Yazin or her brother in their further studies. Not being literate themselves, they understand just how important it is for Yazin and her brother to get an education. They want to see both children pursue their dreams and find success in life. Yazin wishes to obtain a Bachelor of Commerce and find a good job upon graduation.

For just $30/month, you can make Yazin’s university dreams a reality!

Yazin has been selected to join the next batch of Visions university scholars for 2021. Under this initiative, Yazin is eligible for financial support to cover her university fees and related expenses, and will receive regular mentorship & counseling, leadership development training, English training, and more. Over the past 5 years, we have sponsored 43 talented youth in India through this initiative, which has enabled recipients to stay in school and manifest their dreams. And twenty (20) of these youth have already graduated and joined the workforce! Please join us by setting up a recurring contribution of just $30/month or annual sponsorship of $360, and we will keep you informed of her progress over the next year!
