Enable a Young Woman in India to Realize Her University Dreams & Change the Course of Her Life!

P. Selva Lakshmi
Bachelor of Commerce

Selva Lakshmi lives with her mother and her sister who is in Grade 11. She grew up without a father. Her mother works as a cook at a midday meal center where she earns just 4,000 rupees per month (the current equivalent of USD $55). They are a very humble and courteous family. Though her mother dreams of helping Selva Lakshmi to pursue her higher studies and professional ambitions, she is obviously unable to provide any financial assistance to her in those pursuits and is hoping that Visions India can make the difference for her daughter.

Selva Lakshmi is a strong student who is good at sports and dance. She is well liked by her teachers, and is a great support to her mother and sister at home. She wishes to study Commerce and to become a banker.

For just $30/month, you can make Selva Lakshmi’s university dreams a reality!

Selva Lakshmi has been selected to join the next batch of Visions university scholars for 2021. Under this initiative, Lavanya is eligible for financial support to cover her university fees and related expenses, and will receive regular mentorship & counseling, leadership development training, English training, and more. Over the past 5 years, we have sponsored 43 talented youth in India through this initiative, which has enabled recipients to stay in school and manifest their dreams. And twenty (20) of these youth have already graduated and joined the workforce! Please join us by setting up a recurring contribution of just $30/month or annual sponsorship of $360, and we will keep you informed of her progress over the next year!
