Enable a Young Woman in India to Realize Her University Dreams & Change the Course of Her Life!

J. Renga Lekshmi
BA English

Renga Lekshmi wishes to one day become an English teacher. Described by her peers and teachers as a very helpful, respectful, disciplined and sincere person, she is well liked and is a strong student. She is a practical person as well and hopes to do a Bachelor of English program and take the necessary steps in becoming a teacher.

The daughter of a brick maker who earns a small daily wage, life is difficult for Renga Lekshmi and her sister (who is currently studying in Grade 11). Her father’s work is irregular. His earnings essentially pay for the family’s food, after which there is very little left for other things. Without financial support, Renga Lekshmi will not be able to advance in her education.

For just $30/month, you can make Renga Lekshmi’s university dreams a reality!

Renga Lekshmi has been selected to join the next batch of Visions university scholars for 2021. Under this initiative, Renga Lekshmi is eligible for financial support to cover her university fees and related expenses, and will receive regular mentorship & counseling, leadership development training, English training, and more. Over the past 5 years, we have sponsored 43 talented youth in India through this initiative, which has enabled recipients to stay in school and manifest their dreams. And twenty (20) of these youth have already graduated and joined the workforce! Please join us by setting up a recurring contribution of just $30/month or annual sponsorship of $360, and we will keep you informed of her progress over the next year!
