The Dream Ceremony is an annual SEED School tradition. It is the ceremony that welcomes each of our students, by name, into our community.

There are two parts to our Dream Ceremony that are tradition:

• Each student is called by name onto the stage and pinned with the SEED Miami pin which symbolizes their induction into the SEED family

• A Dream Statement for every child is read aloud to the community symbolizing the hopes and goals of that child

After the ceremony concludes, all students will return to the academic building via bus. Once the students have arrived to the academic building, students will begin to be dismissed.
