2017-18 Registration

Registration for the 2017-2018 school is now open. We are looking forward to having all our students return. Visit our website, gcs-online.org, and click on the REGISTER tab. Applications for financial aid are found online through the [FACTS website](#). Even if you are already receiving financial aid, you must apply again for next school year.

Remember, we offer a \$500 credit to you if you share GCS with a family who then enrolls their child. New families will receive a \$1,200 credit for their first year!

Spirit Week - March 27-31

Theme - Building Up

Our emphasis will be on living up to the standards that we see in God's Word. Stepping up to serve, building up by encouraging, being creative (made up) by using and sharing our talents, standing up for what is right and mixing up to learn about one another.

You won't want to miss the Talent Show on Wednesday the 29th and our other Parent Day activities.

Open Houses

On Tuesday, March 21 from 5:30-7:30pm, we will be having an Open House for prospective families. We will be continuing our weekly Welcome Wednesday's Open Houses through the end of March, as well.

If you have friends or families with elementary aged children, please consider inviting them to one of these Open House events. We will have volunteers giving tours and answering questions about our school. Light refreshments and coffee will be served.

Spring Auction, March 18

Encourage your family and friends to come enjoy the day and support our biggest fundraiser of the year!

Fliers are still available in the school office to share with businesses you frequent and your neighbors.

Volunteers still needed!! If you have not yet signed up to help at the auction please do so right away by visiting SignUpGenius. The success of the auction depends on all of our families pitching in!
