

# HEXAGON PAPER MOULD

•[www.isoscella.co.uk](http://www.isoscella.co.uk)•

## HOW TO:

1. Print out onto card
2. Cut out around the entire shape
3. Score along all of the dotted lines
4. Cut along the lines with scissors
5. Fold up the rectangular edges
6. Put glue or tape on the triangle tabs
7. Use the tabs to join the edges
