

Developing Your Appreciative Inquiry Practice

4pm Tuesday 31st October to 3.30pm Thursday 2nd November 2017

Sarum College, 19 The Close, Salisbury, SP1 2EE

This 3-day residential course is designed for people who have already undertaken an introductory Appreciative Inquiry workshop such as *Taste of AI* and who wish to build on existing AI practice and deepen their understanding. The programme will be practically based and cover:

- AI principles in day to day practice
- Creating great questions and protocols
- Creating and delivering AI summits and events
- Building AI practice into church and community life.
- Revisiting the 5D process and SOAR
- Emerging new approaches and tools

Facilitation

Course facilitation is by Tim Slack from Appreciating People www.appreciatingpeople.co.uk and Richard Armiger, Methodist Church.

Fee

Public/private organisations	£540
Voluntary sector/social enterprises	£420
Churches	£350

The fee includes full board and accommodation, AI resources, and post-course support.

To express interest in the course and make an initial booking for one of the 16 places contact philippa.linton@urc.org.uk

For further information on the course and guidance on whether you meet the course criteria, contact tim@appreciatingpeople.co.uk

This course is offered as part of two ongoing projects: *Appreciating Church* supported ecumenically www.appreciating.church and *Developing a Community of AI Practice* supported by Appreciating People www.appreciatingpeople.co.uk
