

# GREATER BOSTON REFUGEE MINISTRY

*Building Bridges between  
the Church and the  
Nations at Our Doorstep*

**65 million** refugees & internally displaced worldwide  
**Thousands** of refugees living in Massachusetts  
**Many** have never eaten dinner with an American

GBRM Ambassadors (volunteers) can...

- Share a meal with a refugee family
- Take them to a doctor's appointment
- Show them the grocery store, neighborhood park, and the T
- Connect them with their child's teacher
- Help them open a checking account
- Learn about another culture and way of life
- Build lasting relationships

*...and so much more.*

## You can help!

*We'll show you how.*

Join us for our next Ambassador Training Session for the **Greater Boston Refugee Ministry**, an exciting new initiative to mobilize volunteers to walk alongside their refugee neighbors.

Refugees leave *everything they've known* for the hope of a better life in a place they've never seen.

*Will you help welcome them?*
