

## News from the Hereditary Disease Foundation

**October is filled with wonderful opportunities to support HD research and have fun. We hope you'll join us!**

### **An Evening to Celebrate 50!**

We'll be celebrating 50 years of rewriting the future through trailblazing research at our 2018 Symposium and Gala on Monday, October 22, at the Harvard Club, 35 West 44<sup>th</sup> Street, in New York City. The evening starts with a symposium at 6pm, at which Shirley M. Tilghman of Princeton University and C. Frank Bennett of Ionis Pharmaceuticals will discuss cutting edge science, including the brain, genetics and therapies of gene editing. The festivities continue with a cocktail reception at 7pm and dinner at 8pm. For more information and to purchase tickets, visit [Hereditary Disease Foundation](http://HereditaryDiseaseFoundation.org).

2017 Symposium and Dinner. We look forward to seeing you this year!

### **Walk 4 HD in Westchester County**

Jackie Hamilton fought a long battle with Huntington's disease, but she left a legacy of love and compassion to her family and friends. In honor of Jackie, her daughter, Gabrielle Hamilton will hold the 2nd Jackie's Walk 4 HD on Sunday, October 14, from 10am to 1pm, at Glen Island Park in New Rochelle, NY. Visit [hdfoundation.org](http://hdfoundation.org) to learn more and register. Proceeds will benefit the Hereditary Disease Foundation

and the Huntington's Disease Society of America Center for Excellence at Columbia University.

### **NJ Cure HD Golf Classic**

Whether you're an avid golfer or not, we hope you'll sign up for the NJ Cure HD Golf Classic, which will be held on Monday, October 8, at Echo Lake Country Club, in Westfield, NJ. NJ Cure HD is a generous Partner in Research with us. Proceeds will benefit organizations including HDF. Details and registration: [NJCureHD](#).

### **Thank you Lundbeck**

Over the past several years, Lundbeck has worked closely with the Huntington's disease community to raise awareness and support for the families who are affected by this devastating disease. The company has participated in hundreds of HD events nationwide – from disease awareness walks to education seminars, and more. Lundbeck has also proudly partnered with the Hereditary Disease Foundation since 2010 on the Build Hope for HD campaign to support a community in Venezuela that was critical to breakthrough discoveries in HD and other genetic disease. Click [here](#) to learn more about Lundbeck's support of the HD community. By moving together, we are one step closer to a promising tomorrow.
