The Hereditary Disease Foundation’s Scientific Advisory Board is composed of distinguished scientists from around the world. The Board sets the scientific priorities for the Foundation, reviews grant and fellowship applications and selects the most innovative and promising research projects for funding.

Anne B. Young, M.D., Ph.D. — Chair
Massachusetts General Hospital
Harvard Medical School

Leslie M. Thompson, Ph.D. — Vice Chair
University of California, Irvine

Gillian P. Bates, FMedSci., Ph.D., FRS
UCL Institute of Neurology

C. Frank Bennett, Ph.D.
Ionis Pharmaceuticals

Yvette Bordelon, M.D., Ph.D.
David Geffen School of Medicine at UCLA

Alan Buckler, Ph.D.
Scholar Rock, Inc.

Marie-Françoise Chesselet, M.D., Ph.D.
David Geffen School of Medicine at UCLA

Beverly L. Davidson, Ph.D.
Children’s Hospital of Philadelphia
University of Pennsylvania

Steven Finkbeiner, M.D., Ph.D.
Taube/Koret Center
for Neurodegenerative Disease
Gladstone Institutes
University of California, San Francisco

Kenneth H. Fischbeck, M.D.
National Institute of Neurological Disorders and Stroke, National Institutes of Health

Myriam Heiman, Ph.D.
Massachusetts Institute of Technology
Broad Institute of MIT and Harvard

H. Robert Horvitz, Ph.D.
Massachusetts Institute of Technology
2002 Nobel laureate

David E. Housman, Ph.D.
Massachusetts Institute of Technology

Michael S. Levine, Ph.D.
David Geffen School of Medicine at UCLA

John Mazziotta, M.D., Ph.D.
UCLA Health Sciences

Diane E. Merry, Ph.D.
Thomas Jefferson University

Richard I. Morimoto, Ph.D.
Northwestern University

A. Jennifer Morton, Ph.D., Sc.D., FRSB
University of Cambridge

Richard C. Mulligan, Ph.D.
Harvard Medical School

Harry T. Orr, Ph.D.
University of Minnesota

Henry L. Paulson, M.D., Ph.D.
University of Michigan

Christopher E. Pearson, Ph.D.
The Hospital for Sick Children
University of Toronto

Bernard M. Ravina, M.D.
Praxis Precision Medicine
University of Rochester School of Medicine

Joan A. Steffan, Ph.D.
University of California, Irvine

Sarah J. Tabrizi, FRCP, Ph.D., FMedSci.
UCL Institute of Neurology

Leslie P. Weiner, M.D.
University of Southern California

Nancy S. Wexler, Ph.D.
Columbia University
Hereditary Disease Foundation

Ai Yamamoto, Ph.D.
Columbia University

X. William Yang, M.D., Ph.D.
David Geffen School of Medicine at UCLA

Scott Zeitlin, Ph.D.
University of Virginia School of Medicine
