COMPANY NAME: _____ JOB NAME: _____

JOB SITE ADDRESS: _____

CONTACT NAME: _____ PHONE: _____

EMAIL: _____

APPLICATION: How will panels be used? _____

For Example: Room Divider, Cabinetry panel, Wall-mounted, Window covering, Ceiling panel, Backlit, Outdoor
Will it be single or double-sided? (double if it will be viewed from both sides): Single-sided Double-sided

MATERIAL: Our standard wood is a select veneer with MDF-core, chosen for it's resistance to warping. If you will be painting the panels, MDF is most economical and Unfinished Maple provides a bit more strength. For staining a light color Unfinished Maple is best. If staining a medium or dark color, Unfinished Walnut or Alder work best. Please call for availability of other materials.

UNFINISHED WOOD	Standard Thickness	Custom Thickness
MDF	1/4", 1/2", 3/4"	
Maple	1/4", 1/2", 3/4"	
Walnut	1/4", 1/2", 3/4"	
Alder	1/4", 1/2", 3/4"	
Cherry	1/4", 1/2", 3/4"	
Bamboo Ply	1/8"	1/4", 1/2"

ACRYLIC (as backing material or cut panels)	Standard Thickness	Custom Thickness
Light Diffusing	1/8"	1/4", 1/2"
Custom Colors		1/8", 1/4", 1/2"

FINISHED WOOD	Standard Thickness	Custom Thickness
Dark Walnut	1/4", 1/2"	3/4"
Clear Coat Walnut	1/4", 1/2"	3/4"
Cherry	1/4", 1/2"	3/4"
Clear Coat Bamboo	1/8"	1/4"

OUTDOOR MATERIAL	Standard Thickness
Waterproof MDF	1/4", 3/8", 1/2", 3/4"
Phenolic - Black <small>(Custom colors available - call for availability)</small>	1/4"

LAMINATED SHOJI PAPER (as backing material)	Standard Thickness
White (rice paper texture)	.2 mm Max. size: 3' x 8'
Tan (no texture)	.2 mm Max. size: 3' x 6.5'

MATERIAL THICKNESS: Standard thickness materials are generally available at our standard lead time, custom thickness time varies.

QUANTITY & SIZE: See below table to list individual panels.

- Standard maximum size is 48" x 96". Select wood is available in up to 59.5" x 119" size with extra fee for Oversize.
- There will be a \$100 set-up fee for each panel size, artwork, or anything that is not an exact duplicate of another panel, including different size borders.

PATTERN: Please indicate in the table below your pattern choice from our Library of Patterns on our website. The renderings illustrate the pattern at our standard scale on a 23" x 23" size. Please let us know if you'd like a different scale. Scaling down MAY incur additional cost for the extra laser-cutting time. If you have multiple panels which will line up next to each other, and you want the pattern to flow across panels, let us know. This also may incur extra cost depending on the pattern. Some patterns can simply be repeated, others will need an additional set-up fee.

BORDER: We can make the border any size (or combination of different sizes for different sides).

GRAIN DIRECTION: Wood grain runs length-wise on a 4' x 8' sheet. If panels are under 48" grain can go either vertical or horizontal.

CUSTOM ART: If you'd like a custom pattern or artwork, we can work with your idea, sketch, or digital file. We will need to discuss your vision and see your files in order to provide pricing. Any shape of panels is possible, such as an arched top, and most will require additional art time.

WALL-MOUNTED LIGHTBOX: If you would like your panels to be wall-mounted and backlit, please call to discuss.

CUSTOM FINISH: We are happy to have your panels custom stained or painted. Please call for more info

PAYMENT: A 50% deposit is required upon order confirmation. Stated lead time will not begin until payment is received. Balance is due before product ships. **PLEASE call if your credit card information changes. We will not ship the panels until we receive final payment.** We offer 4 methods of payment:

CHECK: Check can be overnighted to expedite the order if necessary. For the deposit, we will also accept a scan of the check emailed to us prior to sending. For final payment, we will not ship until payment is received.

CREDIT CARD: American Express, Amex, Discover, Master Card, VISA Please use our Credit Card Authorization form or call with CC number.

WIRE TRANSFER: We can provide wire transfer information needed for transaction. Please contact us.

ACH: By phone or fax. We will need checking account #, routing #, name on account and whether it is a business or personal account.

QUANTITY AND PATTERN: Please use this table to list your individual panels.
