Dear Tennis Friends,

We hope this email finds you safe and healthy. We have missed everyone during the COVID19 quarantine and hope you are ready to return to playing tennis. We are really excited for the new season **starting on September 10th, 2020** (clinics start September 8th).

To keep everyone safe, all staff members and players must follow all health and safety guidelines, outlined below, as required by the State of Connecticut.

- Everyone must wash hands and disinfect equipment often, keep 6 feet apart and not socialize* at the club  
  *Groups that feel comfortable socializing with their tennis friends in their group after playing, please see GTC manager for options*
- Staff or members not feeling well or showing any symptoms of COVID19 should stay home
- Hand sanitizer is available around the facility
- Tennis clinics will be limited in capacity
- Staff will regularly sanitize high-touch surfaces such as entrances, exits, etc.
- Staff members will sanitize handles of all demo racquets and paddles
- Everyone is required to wear mask in the lobby, bathrooms and on the way to and from the courts
- Follow the visual cues to provide space in the lobby
- Locker rooms will be available (limited to 4 people at one time) and you have to sanitize any area you have touched
- Showers will be available limited to 2 people at a time
- Towel service will not be available, please bring your own
- Sanitizers will be provided on all courts
- Groups will go down to courts 2 minutes AFTER official start time and leave 2 minutes BEFORE official end time to diminish chance of overlapping traffic
- No sitting on the court chairs
- Ball machines are available with cleaning instructions
- Refrigerator will not be available, please bring your own cooler; ice will be provided by the DESK STAFF
- The water fountain will not be available; water bottles will be available to purchase
