EXPERIENCE

BERARDI + PARTNERS | COLUMBUS, OH ARCHITECTURAL INTERN DEC-JAN 2016, 2017
Created final architectural renderings for clients, drafted construction documents and for adaptive reuse, market rate, low-income and mixed-used residential projects. Drafted interior elevations using Revit for 27+ apartment units, collaborated with a design team of architects, engineers and interior designers to carry out projects for clients from schematic design through construction.

MIAMI UNIVERSITY ART MUSEUM | OXFORD, OH CURATORIAL INTERN FALL 2016
Organized and planned an exhibition alongside chief curator, Jason Shaiman. Facilitated a relationship between two artists while planning the exhibition and communicated with the artists throughout the planning process. Pared down works, created a marketing plan, wrote object labels, text panels, grants and gallery guides. Spatially planned the exhibition and organized the spaces to tell a narrative about the artists in congruence with the text written for the exhibition.

LEVIN PORTER ARCHITECTS | DAYTON, OH ARCHITECTURAL INTERN SUMMER 2016
Established relationships with clients through weekly meetings with clients varying from universities, local libraries and school districts. Attended weekly construction meetings with contractors and engineers, taking detailed notes that were later transposed into documents regarding RFI's, progress reports, and facilitated any issues that the architect needed to resolve. Drafted construction documents and edited drawings per the architect's instruction, chose materials for interior furniture finishes, and contributed conceptual design drawings and storyboards for budding projects. Was put in charge of small-scale and pro-bono projects for the community.
