## Summary

Searching for a Graphic Design position where there is an opportunity to collaborate with others and come up with unique design solutions. Passionate about learning new skills and growing as a designer.

---

## Experience

### Discover Mediaworks

Graphic Design Intern, May 2016 - August 2016

Designed new social media content weekly, and prepared publications for print. Illustrated graphics for new merchandise including a baby onesie, T-shirts, and a water bottle.

### UW-Stout, Student Life Services

Graphic Designer, May 2015 - May 2016

Worked with clients from different campus departments to design multiple projects at once. Also developed a variety of projects including web graphics, logo designs, and signage, all while keeping within the schools brand guidelines.

### Waterford Public Library

Shelver, June 2011 - August 2014

Checked in and shelved books. Responsible for cleaning up the library and finding missing items. Worked in a team of other shelvers to make sure the library ran as smoothly as possible.

---
