

JACKSONVILLE BEACH VOLLEYBALLS ELECTRONIC COMMUNICATIONS AND SOCIAL MEDIA POLICY

What

Policy describes acceptable uses of mobile and electronic devices and social media and emphasizes transparent communication, separate from and in addition to any general policies an organization may already have in place.

Why

Effective communication concerning travel, training schedules and administrative issues among administrators, staff, coaches, athletes and their families is critical. However, the use of mobile devices, web-based applications, social media and other forms of electronic communications increases the possibility for improprieties and misunderstandings, and also provides would-be offenders with unsupervised access to an athlete. The improper use of mobile and electronic communications can result in misconduct and adherence to a policy for mobile and electronic communication reduces these risks.

Elements

- States appropriate criteria for mobile and electronic communications between athletes and administrators, coaches, staff and/or volunteers
- States appropriate criteria for use of social media between athletes and administrators, coach, staff, and/or volunteers

At the request of a parent or guardian, any email, electronic text, social media or similar communication will copy or include the athlete's parents or guardians. FACEBOOK,

It is the default policy of CLUB to allow such practices as long as the athlete or athletes are in public view and such imagery is both appropriate and in the best interest of the athlete and the club. Imagery must not be contrary to any rules as outlined in CLUB's Participant Safety Handbook.
