ADMINISTRATIVE AND PROGRAMS ASSISTANT

ABOUT US

The Fund for Public Schools (The Fund) is a 501(c)(3) that has consistently and rigorously dedicated itself to supporting New York City’s public schools since 1982. The Fund has secured unprecedented investment from foundations, businesses, and individuals, raising more than $509 million for the city’s 1,800 public schools and 1.1 million students.

As a partner to the NYC Department of Education (NYC DOE), The Fund supports some of the most innovative programs in 3K-12 education at the largest school district in the country. Private funding raised through and managed by The Fund enables the NYC DOE to pilot innovative projects; accelerate promising, outcome-driven initiatives for improving student achievement; and respond strategically to emerging needs across the school system.

The NYC DOE’s privately supported initiatives managed by The Fund span a robust portfolio of education programs, from those that focus on district-level policy and system-wide infrastructure to those that focus on teaching and learning at the classroom level. Importantly, Fund staff liaise between NYC DOE leadership and private funders so that the NYC DOE can focus on implementing its programs, while private donors have a one-stop point of contact to learn about the City’s educational priorities and how private funding can best support them.
