

# STUDENT RULES & CATEGORIES 2016–2017

The mission of the American Advertising Awards Student Division competition is to recognize and reward creative excellence in the art of advertising.

Conducted annually by the American Advertising Federation (AAF) and sponsored by National Ad2, the Fort Worth American Advertising Awards Student Division is the first of a three-tier, national competition. Concurrently, all across the country, local student entrants vie for recognition as the very best in their markets. At the second tier, local student winners compete with other student winners in one of 15 district competitions. District student winners are then forwarded to the third —national—tier. Entry in your local Student competition is the first step toward winning a national Student ADDY Award.

Entering the American Advertising Awards competition supports our entire industry, because the AAF and its local and district affiliates use the proceeds to enhance advertising through programs such as public service, internships, advocacy groups, advertising education, and consumer awareness.

Selection of the most creative entry is effected by a scoring process in which a panel of judges evaluates all creative dimensions of every entry. A Student GOLD ADDY Award is recognition of the highest level of creative excellence and is judged to be superior. Student entries that are also considered outstanding and worthy of recognition receive a Student SILVER or Student BRONZE ADDY Award. The number of awards given in each category is determined by the judges, based on the relative quality of work in that category.

The American Advertising Awards competition honors “The Creative Spirit of Advertising.” It is intended for “original” creative work. Therefore, entries derived from or making use of previously created and/or published pieces by anyone other than the entrant are not permitted. Copyright infringement and/or plagiarism (be it intentional or unintentional) will result in the disqualification and, if applicable, removal of awards from any entry deemed in violation. All entry fees will be forfeited.

## How to Enter

Visit [AddysFightNight.com](http://AddysFightNight.com). Download the student rules and categories document. This is also where you may access a link to the entry site and login as a student entrant. Review the student category list to find where your work should compete, and follow the simple drop down menus to enter your information. Make sure you credit the members of your creative team, so that they will be recognized properly in press releases and other AAF winner publications. Submission of entries acknowledges the right of the AAF to use them for publication, exhibition and marketing of the American Advertising Awards competition.

## Deadlines

Fort Worth submission dates are outlined on the next page. After preparing your entries in the manner outlined in this guide, deliver your entries, on one of the submission days, to the location indicated. Since you must enter your local American Advertising Awards competition to be eligible for district competition, it is important that you do not miss this deadline.

Please note: Comps, original photographs, illustrations, etc. all become the property of the AAF and will not be returned.

Any work created for the NSAC competition will be eligible for the next American Advertising Awards Student Division competition following the NSAC finals in June. For example, creative for the 2016 NSAC sponsor Snapple is now eligible for the 2016-2017 American Advertising Awards Student Division competition.

### Eligibility Requirements

- Applicants must be enrolled full or part-time in an accredited U.S. educational institution.

### Submission Entry Dates and Fees

Final entry submission: Friday, January 6, 2017, between 1:00 and 7:00 pm at Near South Studios, 328 Hemphill St. Students - \$45 both single and campaign entries

### Entry Submission

Physical entries must be placed inside an AAF-Fort Worth-supplied plastic ziplock bag. Follow detailed directions for packaging found on the back of the bag insert. (Contact your professor for bags. If none are available, contact Blakeley Warner at [BWerner@OKPaper.com](mailto:BWerner@OKPaper.com) or at 817-320-7304

In general, you should insert two copies of the entry form securely inside the bag behind the physical entry. The entry (creative work) should be facing or readable from one side and the entry form facing or readable from the other. Firmly affix the entry number to the BACK of every piece in the entry (use removable entry number tabs from the bottom of printable entry form).

If a three-dimensional (3-D) item is small enough, it should be placed inside a bag, as described above. The entry number label should be securely attached to the bottom of the entry. Insert two copies of the entry form inside the envelope. (If the entry is likely to tear the envelope when removing and replacing it, choose the method listed below.)

When a three-dimensional (3-D) item is oversized and too large to fit inside the bag supplied, enclose the item inside an appropriately-sized box. Secure the entry number to the top of the box in the upper right hand corner. An entry number label should be affixed to the bottom of the piece for identifying. Spray-mount the entry form to the bottom of the box. You will still submit a club-supplied bag along with the box. Inside the bag, place one copy of the entry form and another piece of paper that says, "This entry too large to fit in envelope - submitted in white box, approximately 7" x 10" x 5". Remember that, if your entry wins, you are relying on this box to keep your entry in tip-top shape as it gets stuffed back into the box and judged at district. If it wins again, it will be shoved back into the box and sent to the national competition. Unfortunately, not everyone along the way will be as careful with your creation as you would have been. So, especially if your entry is delicate, make sure you have a way to protect it that will be easy for local, district and national AAA administrators to unpack and repackage it and keep it looking its best.

Campaign entries that won't all fit in the club-supplied bag may be handled in the same manner as above, placing the larger

elements inside an appropriately sized envelope or box. Firmly affix the entry number to the BACK of every piece in the entry (use removable entry number tabs from the bottom of printable entry form). Indicate on each label “1 of 2” or “2 of 2,” etc. Include an extra copy of the entry form inside the envelope.

All components of Campaign and Integrated Campaign entries must be entered together in the club-supplied bag whenever possible. Firmly affix the entry number to the BACK of every piece in the entry (use removable entry number tabs from the bottom of printable entry form). Label each component with an entry number and include the total components for each campaign, (1 of 10, 2 of 10, 3 of 10, etc.).

### Entry Identification

Detach the category and entry number labels from the printable entry form generated when you submitted your entry information online. The entry number must be firmly affixed in the upper right corner on the back of all pieces which are in envelopes. In clear plastic or transparent envelopes, place two copies of the entire entry form into the envelope. Label each component of an Integrated Campaign in a similar fashion. No information identifying the entrant should appear on the face of an entry, or within the title of video slates or online URLs for digital submissions.

Submission of entries acknowledges the right of the AAF to use them for publication, exhibition and marketing of the American Advertising Awards competition and show.

### Campaign Entries

A SINGLE-MEDIUM CAMPAIGN is no less than two and no more than four total pieces in the entry.

An INTEGRATED CAMPAIGN is defined as a campaign or series of ads, commercials or executions that utilize more than one medium. The American Advertising Awards allows entries in all Integrated Campaign categories to submit up to ten executions for judging. Integrated Campaign entries may be accompanied by a written or digital (video) summary not to exceed 250 words (written) or 3 minutes (digital). Digital summaries must be submitted by uploading the video file during the online entry process.

Failure to adhere to these limitations may result in a portion or all of the noncompliant entry to be removed from judging.

### Submission of Digital Entries

Digital entries in the Student Division of the American Advertising Awards are described as follows:

- Entries in all Online/Interactive categories (#S12-S17)
- Entries in all Film, Video & Sound categories (#S18-S19)
- Entries in select Elements of Advertising categories (#S28-S31)

Entry submission in these categories may be made entirely online, including submission of creative assets either via digital file uploads or submission of URLs for judging (carefully follow the submission instructions during the online entry process). **Completion of the entry process FOR THESE CATEGORIES ONLY requires only the online portion of the process—no physical work samples or entry forms are required for submission. However, for ALL OTHER CATEGORIES, a physical entry form and physical samples of the creative work suitable for judging must be submitted as part of the entry.**

### Online/Interactive Advertising

For Websites and all Online/Interactive entries, submit the URL addresses. For multiple URLs in a campaign category entry, create a webpage that contains each of the individual links and provide the single URL to your newly created page, i.e.- [http://www.somedomain.com/addy\\_entries.html](http://www.somedomain.com/addy_entries.html). Do not submit a URL that leads directly to a “swf” file.

Judging of online entries will be done online, using the URL whenever possible. URLs should not require any username or password for access. In cases where this already exists, the entrant should create an independent URL. URLs, banners and menus must not contain any references to the entrant.

### Submission of Entries

**Physical submissions are REQUIRED for all print and non-web or non-Audio or Video entries. Only digital (web or some form of A/V) do not have to have a physical entry.**

Entries and entry fees should be submitted in person (except when all entries are digital as described on page 5 and payment is made online) on one of the two dates outlined on page 2. All entries become the property of AAF-Fort Worth, AAF Tenth District, or the AAF and will not be returned. **Do NOT send original or irreplaceable artwork. It will NOT be returned.**

### **Student Auto-Forwarding**

All Gold winning work will be forwarded to the district and national competition at no additional cost to the student entrant. Silver winning work may be advanced to the district or national competition but the entrant is responsible for paying the applicable entry fee.

### **Judging Procedures**

Judging will be conducted in accordance with the guidelines found on the [AAF website](#). Decisions of judges and the National American Advertising Awards Committee (N3AC), including eligibility, qualifications and appropriate category placements, are final.

### **All Entries Must**

- Meet all eligibility and deadline requirements.
- Be entered in the correct category and be correctly identified.
- Conform to defined submission requirements.
- Conform to all copyright laws.

### **Invoice/Manifest Form**

After filling out the entry forms, you will be required to sign a invoice/manifest form, listing all of your entries. This form states that by signing below you:

1. Verify that the above information is accurate.
2. Acknowledge that proper rights were obtained for use of any elements of the entry that were not original.
3. Agree to submit documentation deemed necessary for review.
4. Release the entry for internet, broadcast and/or print (allow reuse of material).
5. Verify that the entry was created within the local market (MSA) of the competition.
