

School Supplies Are Needed

The Kanata Food Cupboard has launched our annual Back-to-School Program for 2017.

Purchasing school supplies can be very costly and put financial stress on many families. The Kanata Food Cupboard provides school supplies to families in hopes of easing that burden.

Last year we assisted 103 families in Kanata, totalling 250 children and 10 adults with our Back-to-School Program. We expect this year the numbers to grow.

As part of our Back-to-School Program we are looking for school supplies for students of varying ages, from school age children to adults attending school. The items that we are most in need of are:

- Math Sets
- Rulers
- Graph Paper
- Spiral Exercise Books
- Combination Locks
- Markers
- Pencil Crayons
- Pencil Cases
- Backpacks
- Scientific Calculators
- Duotangs of various colours, and binders
- Large Glue Sticks
- Lunch Kits

Donated items can be brought to our warehouse location (340 Legget Drive, Unit #46) until Friday, August 25. Warehouse hours are Monday to Friday 9am-12pm. Alternatively, donations can be placed in the Kanata Food Cupboard bins at the various grocery stores in Kanata.

If you have any questions, please contact Cara-Leigh Wyllie at cco@kanatafoodcupboard.ca

Your help in making back to school a positive experience for Kanata children is greatly appreciated.
