

## **Questions to Consider if You are Already in Practice**

Directions: Please complete this sheet and bring it with you when we have our meeting.

1. Narrow down what aspects that you are confused about.
2. What specific support can I provide that might decrease your confusion?
3. How much of your difficulties are organizational?
4. What are the specific questions you have for me?

Examples: How do I keep track of payments from insurance companies? I need more comprehensive intake paperwork. What do I do about taxes?
