

Questions to consider before entering into private practice

Please think about these questions before we meet. These questions are helpful to get you thinking about the many different aspects of this new chapter. We can discuss each question when we get together. Also please print out the sheets and bring it with you.

What are some pros and cons you have considered regarding private practice:

Pros:

Cons:

Questions to think about:

What type of clientele do you want to see in your practice?

What is your budget/what can you afford?

Do you want to work part-time or full-time?

Do you want to build the practice fast or slow?

Do you want to specialize or do you have a specialization?

Do you want to obtain supervision?

What is your goal for private practice?

Do you want to share an office with a colleague or have your own?

Do you want to create your own website?

Please feel free to add any additional questions or concerns below:
