

Privacy Policy

Images is dedicated to the privacy of your personal information. We recognize that confidentiality of communications is significant to our clients and those requesting information about our services. As a wide-ranging business practice, we hold these communications in the strictest of confidence. We value your privacy and are committed to protecting it.

Images provides services and information to a variety of clients and individuals. In doing so, we may possibly need to gather personal information for a range of reasons including; understanding your needs, meeting legal requirements, assisting in the delivery of services and information, preserving our customers contact information, and to offer information about our services. We will not disclose or sell personal information to third parties.

How We Collect Information:

We collect personal information through an assortment of applications through our site. Images then stores the information in a secure database on our servers.

In the majority of cases, you will be asked for your permission if we collect, use or disclose personal information. Those that wish to withdraw permission to collect, use, and disclose their personal information, which is subject to legal, contractual and reasonable notice may do so at any time.

How We Secure the Information:

Images takes all logical precautions to ensure that personal information is kept protected from unauthorized contact, alteration or disclosure. Among the steps taken to protect personal information are the use of protected Internet servers and confidential file access. We install technological safeguards such as security & internal software along with firewalls.

What is Personal Information?:

Personal information is any information about a person. Personal information could include information such as your name, address, e-mail address, or any information we feel is relevant to the delivery of our services.
