- Providing engaging STEM experiences that inspire students to see themselves in a future STEM
- Facilitate inquiry-based learning for students in the museum setting as well as in the Science Mill’s outreach programs, both remotely and in person.
- Develop and test new curricula for educational and professional development programs.

**Key Qualifications**

- Excellent interpersonal skills with an upbeat and positive attitude who is capable of “opening doors” and building relationships
- Self-starter and quick learner with a passion for improving education quality and equity for students from all walks of life as part of a dynamic, growing team
- Ability to communicate effectively with and actively engage with varying levels of audiences, including students of all ages and their parents and families

**Preferred Qualifications**

- Experience working with children in formal or informal education settings
- Experience with educational technology (e.g. microbit, hummingbird, ozobots, etc.) and some coding/programming experience
- 2 years of experience working with K-12 students
- Bachelor’s Degree
About the Science Mill

The Science Mill, located in Johnson City, TX, is a nonprofit science center.

We believe bold, innovative programs that represent a committed, sustained, multi-level approach to engaging our most marginalized students and supporting educators in the field is the key to building a strong STEM pipeline.

With interactive exhibits and programs, the Science Mill helps students expand their understanding of science, sparks curiosity, and inspires them to pursue careers in STEM (science, technology, engineering, and math) fields. Operating in a very dynamic environment, flexibility and teamwork are required. The team works collaboratively to ensure organizational success. Depending on the candidate’s skills and expertise, this is a part-time or full-time position performed on-site at the Science Mill in Johnson City.

**Job Type/s:** Part-time or Full-time

**Pay:** $16.00 - $22.00 per hour

**Schedule:**
- 4 hour shift
- 8 hour shift
- Monday-Friday or Tuesday-Saturday

**Ability to commute/relocate:**
Johnson City, TX 78636: Reliably commute or planning to relocate before starting work (Required)

**Work Location:** In person
