

FOILINGWORLD.CO.UK
FLY THE F101

DESIGN BY RON PRICE

- The design is user friendly, robust and reliable
- All carbon construction: main hull, foils, floats, beams
- Simple, effective control systems
- The foils can be retracted so the boat can be launched from a regular trolley in shallow water
- While designed as a single handed boat the F101 can effectively fly two people within the target wind range
- All up weight: 75kg
- Length 5.4m
- Beam 2.55m
- Sail area: 9.0m² main + 5.5m² Zero
- Target crew weight range: 60-150kg

PRICE LIST

The F101 comes ready to sail for £14,995 + VAT and includes:

- Epoxy carbon hull platform
- Carbon beams
- Trampolines
- Carbon fibre 2-piece mast with all standing and running rigging

JOIN THE F101 TRIBE

WHAT IS THE F101 TRIBE?

The Tribe is a global community of F101 sailors. We are attracting interest and buyers from all four corners of the globe. As a result the Tribe has been set up to create a modern, innovative platform as a way for F101 sailors to interact, share their experiences, swap stories and images as they embark upon their journey in sailing their F101.

ETHOS AND BENEFITS OF THE TRIBE

- Members will be added to our F101 Tribe Whatsapp and Facebook groups to:
 - > Share videos, photos and top speeds
 - > Ask for tips, advice and best practices from the Tribe
 - > Get online video and coaching analysis by Tribe members and Tribal Elders, through a unique F101 channel on sportpholeo.com
- Prizes from Foiling World in return for best Tribe posts and photos
- Exclusive invites to Tribal Gatherings and offers on F101 gear

TRIBAL GATHERINGS

We are doing away with some of the formalities of racing as you know it. Our raids are aimed at getting like-minded F101 sailors, friends and families together in great locations for an informal series of events, from timed speed runs, pursuit races, point-to-point races and dashes to the beach bar and back. We will do away with formal scoring with prize givings voted for by the sailors and discretionary by the organisers.

Come join our first raid this Easter (30th March to 2nd April) at Mar de Crystal, Mar Menor, Spain. We will have eight F101s on site, charter and purchase options are available on request.
