Weekly schedule: 2 days a week
Compensation: This is an unpaid internship opportunity.
Report to: Operations Manager and Grants and Development Manager

About the organization: The HEAL Project (THP) is a unique organization providing hands-on programming that instills healthy lifestyle habits in elementary school children while inspiring environmental and agricultural awareness through comprehensive, interactive curriculum. Our vision is a world where everyone understands the connection between our food, our health and our environment.

Objectives:
● Gain experience working behind-the-scenes and creating impact through fundraising and marketing tasks.
● Participate in strategizing marketing and fundraising efforts for a small non-profit.
● Develop a deeper understanding of how environmental education non-profits function, the unique challenges and opportunities they face, and the benefits they provide the greater community.

What you will do:
Intern will work with both Operations Manager and Grants and Development Manager to learn about THP’s mission and programs. They will determine a variety of appropriate projects and tasks that include the following:

● Manage social media platforms including Facebook, Twitter and Instagram.
● Assist with collection of information required for marketing efforts and grant reports including, photographs, video footage, interviews, student stories, news articles and financial reports.
● Assist with managing donor database, create reports, process donations and generate thank you notes.
● Assist during special events and fundraisers.
● Assist with design and ordering of promotional materials.
● Assist with writing grant proposal copy and grant reporting.
