

# BORDUA FARMS

## 2018 CSA Agreement

CSA stands for Community Supported Agriculture.

When you become a member in Bordua Farms CSA program, you are pledging your support to the farm.

---

### How it Works

Members will receive a box of fresh produce every week, for 16 weeks, starting on June 28<sup>th</sup>. Depending on weather conditions the start date may be delayed 1-2 weeks. The contents of each share will be determined by seasonal availability.

### Pickup

Shares are to be picked up **Thursdays** between the hours of **3:30pm-6:30pm** at our farm stand located at 1536 Main Street, South Windsor, Connecticut.

Members will be expected to pick up their share every week at the designated time. **Shares that are not picked up will be forfeited.** If a member is not available during the pick up time, **a friend/family member may pick up their share.**

Members are asked to bring reusable bags to bring their produce home in. A box or basket also seems to work well!

### Risk

Members must agree to share the risks of agriculture (weather, drought, disease, early frost, crop failure, etc.). Bordua Farms will plan for such possibilities and use growing techniques that protect the harvest, minimize risk to members and optimize the rewards, however no crops are guaranteed.

### Share Size & Products

A share is expected to feed 2-4 people their week's worth of produce. Additional shares can be purchased for larger families.

Bordua Farms grows over 90 varieties of produce. Members can expect to receive a variety of greens, beets, broccoli, cabbage, carrots, corn, cucumbers, kohlrabi, leeks, herbs, melons, eggplant, peppers, squashes, tomatoes, and more. Each share will also include 2 ornamental pumpkins in early October.

### **Pork – Additional Offering ( NEW to 2018 CSA! )**

We are teaming up with Mosher Farms to have their heritage pork products available as part of your CSA share. The pork share will include a variety of cuts and products, with a **total of 20lbs** of meat, and comes to you frozen. Pork shares are distributed once per month, with a total of **4 pickups** (5lbs each). Members can purchase multiple Pork Add-ons.

By choosing this additional offering, members will receive **6** bouquets throughout the 16 week program. There are no preselected weeks that flowers will be given. The farm will choose which dates based on when the blooms are available. Members can purchase multiple Flower Add-ons.

### **Fruit – Additional Offering**

We have teamed up with Draghi Farms to have their fresh fruit available as part of your CSA share. By choosing this additional offering, members will receive **6 fruit** offerings throughout the 16 week program. Fruit varieties may include (but not limited to), blueberries, peaches, apples, nectarines, and plums. Members can purchase multiple Fruit Add-ons.

### **Night on the Farm**

In addition to your membership, we are planning a complementary Night on the Farm event for CSA members to enjoy. **Each share will receive 2 tickets to the event.** It will be a casual event with light food and beverages available. Members will get to learn more about our farm and have a chance to socialize with other families in our CSA. A date will be determined at a later time.

### **Payment**
