## THE POMPEI story

Pompei was established by Luigi Davino back in 1909. He called it Pompei because it was located near Our Lady of Pompeii Church.

Luigi married Carmella, they had four sons & a daughter. The family lived above the bakery & worked many long hours making only bread & cheese pizza.

After returning home from World War II in 1944, Luigi's sons helped run the business.

His eldest son, Alphonso, ran the bakery for 30 years with the help of his brothers Ralph, Solly & "Uncle Rogie." When Alphonso retired in the 1980's, his nephew Ralph continued the family business with the support of his wife Rosemarie, mother Marie, sister Carmela & his children Kim & Tom.

Since then, our menu has expanded to what it is today. Using only the freshest & finest ingredients, we will continue to carry on the family tradition that Luigi instilled in 1909. Pompei is proud to say that we've been serving families for four generations.

Have your next banquet at our Pompei Taylor Street or Westmont Location. Both offer full service private banquet facilities & are ideal for that "Pompei Experience."
