Wesley and Methodist Studies (WMS) publishes peer-reviewed scholarly essays that examine the life and work of John and Charles Wesley, their contemporaries (proponents or opponents) in the eighteenth-century Evangelical Revival, their historical and theological antecedents, their successors in the Wesleyan tradition, and studies of the Wesleyan and Evangelical traditions today. Its primary historical scope is the eighteenth century to the present; however, WMS will publish essays that explore the historical and theological antecedents of the Wesleys (including work on Samuel and Susanna Wesley), Methodism, and the Evangelical Revival. WMS is a collaborative project of the Manchester Wesley Research Centre and The Oxford Centre for Methodism and Church History, Oxford Brookes University, and is published biannually by Penn State University Press.
