**AR** (Accelerated Reader) for many years has given our students access to over 100,000 **AR** reading tests and we want to continue to offer this to our students at Vestaburg! The cost for this program is over \$2500 per school year to fund.

We are kindly asking every student to raise a minimum of \$10 for the district to continue with **AR** 😊

Please look for Sponsor sheets to be coming home very soon with your children! Thank you in advance for all your support.
