Got Color? The Color FUN RUN will be a one of a kind experience that is less about speed and more about enjoying a color crazy day with friends! All students at Vestaburg are invited to show their true colors and run/walk through vibrant pops of color and get tie-dyed! The Wellness Team at Vestaburg Community School is excited about this event and we know that the students will LOVE it too! We hope that everyone will join us and make it an experience to remember!
