Homework #4

Assigned: Wednesday, January 22, 2014;
Due: Tuesday, January 28, 2014; end of class

Homework must be done neatly in pencil, on 8 ½" x 11" paper, stapled together. Each step must be easily followed; diagrams are useful. State your assumptions. Homework that is not neat and legible may be rejected. Staple the question sheet to the front of your homework.

Make Sure To Include The Cover Page!

Problem 1: (100 points) Meet your group members and prepare a simple 3D line drawing for a single bay of the stadium using AutoCAD.

You can use the following drawing to see how a single bay looks like. This drawing is a 3D drawing.
