We encourage you to review this annual report to learn more about the Ashtabula Foundation and advise us on how you can offer your talents and resources to further the Foundation’s accomplishments.
Dear Friends and Citizens of Ashtabula County,

It was another great year! The Ashtabula Foundation distributed a total of $685,923 in grant funds for the year 2019. All funds went to non-profit services in Ashtabula County, and the Foundation is very proud of that philanthropic generosity. This granting allows our county citizens to experience a higher quality of life. And again, our ‘vision’ and ‘mission’ have not wavered throughout the years.

Since 1922, the Ashtabula Foundation has kept a very low profile. With the beginning of our 2nd Century quickly approaching in the year 2022, our Board has been working diligently to change that. We are interested in having everyone know the Foundation, what we do, and the monies awarded. In 2018, the Board established our first fund raising campaign - with a goal of enhancing our assets to ultimately support a 7-digit a year grant distribution from the year 2022 onward… just imagine the positive impact this will have on our county!

I want to acknowledge the hard work expended by our Board. They spend countless unpaid hours making tough decisions that affect the foundation and residents in the county. I, along with our Board Trustees, encourage you to open this annual report and read about the philanthropic impact of the Ashtabula Foundation.

I would be remiss not to recognize our donors. Their generosity fuels the Foundation’s assets and the Foundation Board, in turn, carefully distributes the asset yields for philanthropic needs in our county. Thank you, donors!

Lastly, I encourage everyone to start a dialogue with the Ashtabula Foundation for your legacy considerations. While we are presently celebrating our 98th year, the Board is actively working on the next century of legacy and we want you to be a part of it!

Yours in Philanthropy,

Joseph A. Misinec, Jr.
