

Recording Observations like George Washington Carver

1

Record at least 3 observations – some quantitative and some qualitative:

Quantitative (measured in numbers):

- 1.
- 2.
- 3.

Qualitative (describes appearance):

- 1.
- 2.
- 3.

3

It is your turn to become an author. Write a short story about your observations.

2

Be a Plant Artist like George Washington Carver and choose something in nature to observe, draw, and color. It can be a whole plant, a leaf, or an entire garden. Look very carefully at the shapes of leaves, flowers, buds, and roots.
