

To: Parents/Guardians 2017 Seniors

The “Last Night” committee is working hard to prepare a fun-filled last night for our graduates on Friday, June 2nd. **We are asking for your help with pictures for this night.**

Following you will find two requests for pictures. Please read both requests thoroughly.

- 1) **Digital photos** are needed for the Senior slide show and private Facebook group – Class of 2017 Memories.
- 2) **Printed pictures** for the Photo Wall at Last Night. Laminated posters of pictures will line the Last Night area and be stored for future reunions.

Project Name	Requirement	Due Date
1. Digital photos	2 Digital Photos	4/13/2017
2. Photo Wall	3 Printed Pictures	4/13/2017

Please don't wait until the deadline to submit these pictures! We want to include everyone.

The Class of 2017 Memories

The Last Night Committee for the Class of 2017 is delighted to announce that we will create a private Facebook group **AFTER** Last Night to share the digital photos submitted by parents. These digital photos will also be used for the Senior Slide show viewed at the Last Night event (around 2am!).

The private Facebook group is intended to capture as many WA moments as possible and it is our goal to include at least one picture of every student in the class. For this, we need your help!

Please feel free to discuss this with your student but tell them not to share which pictures they've picked. We'd like to leave a few surprises for the night so here's what is needed:

1. DIGITAL PHOTOS

A. Two digital photos, which include your student - please include the names of the students in the pictures so that we can keep track of everyone. **Deadline: THURSDAY, APRIL 13TH**

B. The photos **must be sometime during their high school experience**. Small group shots are preferred for the slide show (two to four people are best). These pictures are flashed very quickly and it's impossible to recognize a large group.

C. If you have larger group shots, we can include them in the Facebook group but they won't be included in the slide show.

Please no senior photos.

PLEASE NOTE: We always receive tons of cotillion shots and cannot put them all in because there are too many similar shots. It is best to have a variety of photos including sport shots, summer activities, and fun times during their high school years.

D. Please email your digital photos to yvonnecekel@gmail.com. I will send you a confirmation that I received the pictures within a week. Please be patient as they all usually come in the last week and there are over 400 seniors. I will do my best to confirm as quickly as I can. Please email me if you have questions.

2. PHOTO WALL

For Last Night, we will be creating laminated posters with pictures of all the seniors through the years. We would like printed pictures of all the members of the 2017 graduating class throughout their years in the Westford school system. The pictures are displayed so the students can see themselves and their friends as they went through pre-school, kindergarten, scouts, sports, dances and any other group activities.

To create this display, we need your help. We would like:

- A. 3 to 5 printed pictures of your student either alone or with classmates during the last 12 years of school. Please write the names of the students in the photo on the back. **No digital photos.**
- B. If you don't have the capability to copy/print your photos, please take them to any print service where you can get prints or copies made.
- C. Mail copies to Judi Morrison, 3 Birchwood Drive, Westford. Please **do not send original pictures, as they will not be returned**. If you would like to drop off your pictures, please call Judi to arrange a time. **Do NOT leave in mailbox without contacting Judi.**
- D. The **DEADLINE is THURSDAY, APRIL 13th**.

Feel free to contact me with any questions.
