

Latourette Library- Access Information

Latourette Library is a user-friendly, state-of-the-art, on-line library system. Our online library makes finding curriculum readings and research materials much easier. Along with the new library system, we have exponentially increased our electronic holdings, which are available through the new system, as well.

Please find below a list of the benefits of our new system, and instructions concerning your user name that has been assigned to you, and setting up the password you will need for gaining access to the new system.

Thanks and God bless,

Joel Hamme, Reference Librarian

Benefits of using the Worldshare Library System

Allows you to do the following:

- search and place holds on books from our catalog on your own
- request books from other libraries through interlibrary loan on your own
- access eBooks, article and journal, thesis and dissertation collection online
- see what books you have checked out; books you have placed on hold; and books that are or will be overdue

Instructions concerning your user name, and setting up your password.

This is different than your Populi and WCIU passwords.

For Students:

The WorldCat User Name is your **StudentID** found under your Student Information in your Populi profile.

For example, this Student's WorldCat User Name is "2011000001". (Please see image below.)

Student Information

Student ID	2011000001
