Spend some time sharing how everyone's week has been and connect on a personal level through icebreaker questions.

LEARN

Do you desire a stronger relationship and better communication in your marriage? Do you ever feel like your spouse is speaking a foreign language? Do you know when to talk and when to listen? In this five-part series, Doctors Les and Leslie Parrott help you determine your personal communication style. You'll learn how you can speak each other's language. The Parrotts offer wisdom and insight on how to apply biblical truths to your relationship. The series is created to draw the two of you closer together and deepen your connection.
