

Strategist, Entry-Level

Do you want to transform academic institutions, cultural organizations, and innovative companies?

Do you want to learn while contributing to a small, dynamic organization?

Are you resourceful and thrive at taking on one challenge after the next, collaborating with colleagues and clients, making sense of disparate information, and creating compelling stories through diagrams, graphs, and narratives?

Are you passionate about creating exceptional experiences through space, service, and/or organizational design?

*If this sounds like you, then you should apply to join our team as an **entry-level strategist!***

brightspot is an experience design consultancy. Using stories and stats, we design dynamic learning experiences that engage organizations and connect staff and users to one another as well as to an organization's purpose, information, and brand.
