EASTSIDE GRILL

The background of the page is a photograph of the restaurant's dining room. It shows several tables set with white tablecloths, plates, and glasses. The room has a warm, orange-toned lighting. In the background, there are televisions mounted on the wall and a bar area. The overall atmosphere is casual and inviting.

Established in 2005 as T.C. Hooligans Bar and Grill, we have always had one goal in mind: to serve great food and drinks in a comfortable, friendly atmosphere. Although many things have changed throughout the years... our name, menu, and the addition of our brick oven. One thing has remained the same, our commitment to preparing and serving the freshest food possible. All of our sauces, dressings, and rubs are prepared daily in house. You will taste the difference and agree. The staff at Hooligans Eastside Grill looks forward to serving you for many years to come.
