

Stepping Stones for Families launches search for new Chair

The Board is seeking a Chair with the necessary skills and knowledge to provide the leadership and drive needed for the charity to achieve its vision of a positive future for children, young people and families while maintaining the organisation's track record of sound strategic, operational and financial management.

This is a voluntary position commencing November.

The key skills we are looking for include:

- Experience of Governance and leadership in a Charity
- Knowledge of the external policy environment as it impacts on family poverty and inequality
- Commitment to the ethos and values of Stepping Stones for Families
- Strategic planning and monitoring at Board level

If you have the experience and enthusiasm required to lead a Governance team committed to tackling the effects of poverty and inequality in communities:

- email: **info@ssff.org.uk** to arrange a telephone conversation
- call **0141 849 6333/ 07764826725** to discuss your interest with our CEO Isobel Lawson.

The contribution you make to the governance of this award winning charity really can make a positive difference.

Commitment

- 4-6 Board meetings a year
- Annual Board Away Day
- AGM in November
