BOTTOM LINE

Psalm 10:1-15

Did you ever play hide-and-seek as a kid when the seeker quit on you? You just felt so alone waiting for someone to find you, and nobody ever came. Now, do you ever feel like you're hiding and God is never coming to get you?

David felt like this at the beginning of Psalm 10. But when David called out to God, God came to his rescue. God heard David's cries, and took away that feeling of being invisible. You may feel this way right now, like no one cares to ask how you are doing or feeling. It may seem like everyone just walks by you like they can't see you. Call out to God. He sees you, He will listen to you, and He cares about you. God will be right next to you when you feel like you're hidden from the world.

Bottom Line: When playing hide-and-seek, seek God first.

Psalm 10:16-18 **BOTTOM LINE**

What type of movie do you like to watch? Is it the classic romantic comedy, otherwise known as a rom-com or chick flick? Or do you like to be scared out of your mind by a good horror movie? Maybe you love the action movies, which are full of suspense and leave you on the edge of your seat.

One of my biggest pet peeves is spoilers. Even while I'm watching the movie, my ears are closed to people that want to make predictions. The best movies are the ones that keep the suspense going right to the end. However, with your spiritual life, there should be no suspense. Spoiler alert: God wins. It's worth it to stay strong through the tough times.

How would you describe your life right now? Is it a comedy, where your struggles are funny the next day? Is your life suspenseful right now, full of stress and busy-ness? Or is it more like a horror movie, where you're scared of where your life may be headed? Let God be at the end of your story. Trust Him with your life, and no matter what happens it will be a happy ending.

Bottom Line: No matter what movie your life is like, it's always best to let God be the director.
