

## **Environmental Policy**

June 2017 - May 2018

## CONTEXT & OVERVIEW

Policy Prepared by:	Mr Gareth Gilvary
Approved by Board on:	15/05/2017
Policy became operational:	01/06/2017
Next review date:	01/05/2018

Our Policy therefore, is to :

- integrate the consideration of environmental concerns and impacts into our decision making and activities,
- minimise our waste and then reuse or recycle as much of it as is possible.
- minimise energy and water use within our buildings and processes in order to conserve supplies and minimise the consumption of natural resources.
- As far as is possible, purchase products and services that do the least damage to the environment.
- train, educate and inform our employees about environmental issues that may affect their work,
- promote environmental awareness among our employees and encourage them to work in an environmentally responsible manner,
- communicate our environmental commitment to clients, customers and the public and encourage them to support it
- where required by legislation or where significant health, safety or environmental hazards exist, develop and maintain appropriate emergency and spill response programmes.
