

## Launch of the #thankyoteachers campaign

You can join us to thank ALL school staff who have done so much to make it safe for our children, who have been Useful and Kind to themselves, others, the world.

There are so many wonderful examples.

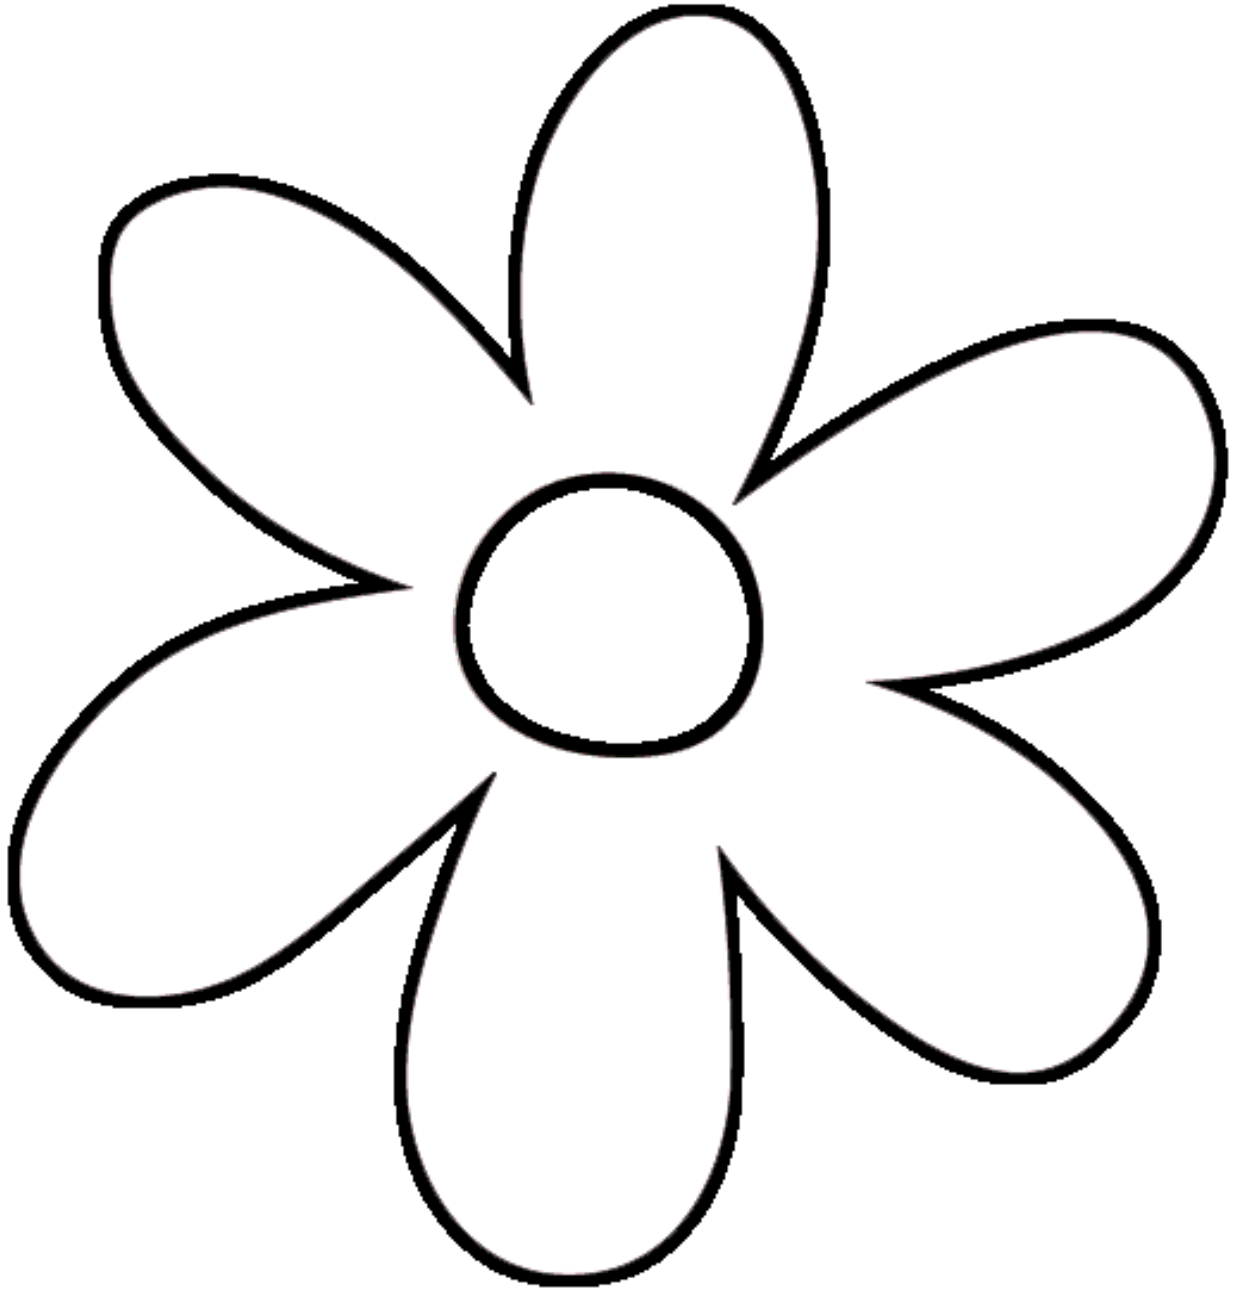

Please thank them.

- 1 Please print off this flower, or make a bunch of them....
- 2 Colour them in - children and adults
- 3 Put them in your window to thank all school staff
- 4 Take a photo and post with #thankyoteachers #usefulandkind
- 5 Ask others to do the same
- 6 If you are a member of school staff go to [www.usefulandkindunlimited.com](http://www.usefulandkindunlimited.com) for our Friday lockdown support tool
