Membership Information & Application Form

Meeting Frequency

There are 18 meetings a year. These are usually:

- the first Wednesday of each month (breakfast)
- the middle Tuesday of every other month (evening meal)

Joining Notes & Quarterly Fees

If you apply (complete this form) to join whilst at your first EVO visit, you will **save £50** off the **Joining Fee** of **£150**. This is a one-off cost and is payable once an application has been approved.

The price for the quarter year (3-months), is just **£190.80**. As of 05/12/17, EVO will bill new Members quarterly.*

6-Month Minimum Membership Period

As of 05/12/17, we ask for a **6-month commitment to the Group** from *new* Members. It takes time for trust and reputation to be established - which leads to referrals and introductions.

The agreement is a 'rolling' 6-month contract and we require 1-month's written notice to leave.

*Breakdown: This quarterly bill is made up of the 'at cost to us' price of 3 breakfasts, a small contribution towards venue security at the morning meetings (£3), 1 (or 2) evening meal/s (split between the 2 quarterly periods) and the £39.50 introductory monthly Membership sub.

Application for EVO Membership

We like to keep things simple so prefer a simple agreement without legal jargon.

I understand the terms of Membership - namely the fees, minimum commitment and notice period and commit to join EVO in the spirit of collaboration and mutual support that forms the ethos of the group.

I agree to make full payment for the joining fee and the minimum 2 quarterly bills in a timely fashion and specifically understand and agree to the 'rolling contract' nature of the agreement and notice period required to leave the group prior to the minimum period ending,

Lastly, I understand that business networking can sometimes take a while to 'work'. As mentioned above, Members (and Visiting Guests) like to get to know new Members before sharing their contacts or making introductions: and attending regularly is a good indicator of a good Member, as is punctuality and preparation.

Please sign and date this agreement below. A Member will co sign this too.

We ask Members to do their very best to attend all meetings. If a Member can't attend, they are encouraged to provide a substitute. There are **no refunds** for Members who don't attend or don't choose to provide a substitute. We don't penalise Members for not showing up but like to remind everyone that trust and reputation is established by meeting other Members face-to-face at the meetings.
