Dear Contractor:

Thank you for your interest in working with the Newburgh Community Land Bank. Attached, you will find detailed specifications for the roofing requirements of 37 S Miller, Newburgh, NY. We are seeking bids from qualified, licensed, insured contractors with extensive experience to provide high value services. Following roof repair and replacement, the properties will be abated for lead and asbestos (a separate Request for Proposals will be released) and then rehabilitated for the creation of owner-occupied housing. This building has an identified purchaser.

PROPOSALS MUST BE RECEIVED BY SEPTEMBER 16, 2015 AT 5 PM BY EMAIL (MFLETCHER@NEWBURGHCOMMUNITYLANDBANK.ORG) OR MAIL TO: PO BOX 152, NEWBURGH, NY 12550

We invite qualified contractors to view the properties on Friday, September 4th, 2015 at 11 AM at 37 S Miller. Please bring your own ladder for access. Land Bank staff will be available to answer questions and the building will be open and available for inspection. If you are unable to attend this session, please contact us to see if alternative time can be arranged. Please bring your own ladder for access.

The Land Bank is committed to connecting contractors and the high quality, trained workforce in Newburgh. In addition to the information required in the bid specifications attached, the successful contractor will identify, in writing, the number of vacancies, it will need to fill to complete the work within the proposed schedule. If no vacancies are expected, please note whether any existing employees are residents of the City of Newburgh. Workforce Development Institute (WDI), an organization with convenient local offices, maintains an inventory of trained, screened individuals with current certifications who are actively seeking work. The Land Bank will facilitate a mandatory meeting between the selected contractor and the Working in Newburgh ("WIN") Program Manager to identify appropriate candidates and schedule interviews. Competitively priced, qualified contractors committed to the local hiring process will receive preference.

Contractors must possess a contractor’s license from the State of New York. The contractor must possess a minimum insurance requirement of $1 million per occurrence and $2 million in aggregate. The Land Bank will release additional Requests for Proposals (RFP) for other properties, so if you do not meet the requirements for this project, please email info@newburghcommunitylandbank.org to sign up for our mailing list and specify "RFP Mailing List" in the subject line.

Spanish translation and interpretation services are available if needed; do not hesitate to contact us.
