Cleveland-based Purtill Financial LLC Named as a Rising Star firm by Accounting Today Magazine

Highland Heights, OH (July 13, 2015) - Cleveland-based financial advising and wealth management firm Purtill Financial LLC was recently named to the 2015 *Accounting Today Magazine's* Wealth Magnets: Top Firms by Assets under Management list. The trade publication identified Purtill Financial as a Rising Star among CPA firms specializing in investment management and financial planning.

As fee-only financial advisors, Purtill Financial acts as fiduciaries, working solely in the best interest of its clients and accepting no fees, commissions, or any other payments from brokerage firms or mutual fund companies in exchange for its recommendations. Working with a fee-only adviser provides assurance to investors that the advice received is objective and designed only to help the client's financial situation. The firm is willing to add one additional qualified client each month. The firm does not charge fees for the initial client meeting where it will review portfolios and provide general financial advice.

Firm president Donald Purtill attributes the firm's remarkable growth record to "the fact that we have extraordinary qualifications and do what is best for clients at all times. We understand the markets and give great client advice."

Purtill Financial LLC is a fee-only wealth management and financial advisory firm registered in the States of Ohio and Florida as a Registered Investment Advisor with offices in Highland Heights, OH and Fort Myers Beach, FL.
