American Fern Society Spore Exchange

Mail-in Order Form for non-members

Please contact me, Brian Aikins spores.afs@comcast.net, for optional PayPal payment or international orders. I check email once per day.

Non-members may request spores from the exchange by making a spore donation. For each donation, up to 3 packets may be requested (each of these must currently have at least 10 available packets). When collecting spores, please follow the guidelines on the AFS spore collecting page (http://amerfernsoc.org/sporcoll.html).
