**OUR CONCEPT** *at Wally's is unique. Dough is made on site every day. We use only the best ingredients. Pizza sauce made from fresh California tomatoes and only the finest 100% provolone cheese (not bagged or pre-shred) our pizza crust is baked to a golden brown perfection, additional fresh tomato sauce, and a layer of cheese is put on the pizza before placed into the oven. After removing the piping hot pizza from the oven we add premium sliced pepperonis and then garnish with fresh provolone cheese. Pizzas ordered with extra cheese are always served with hand fulls of freshly ground provolone cheese on top of an already hot pizza making this a customer favorite!*
