

SOCIAL MEDIA AGREEMENT

Online social media tools such as Twitter, Snapchat, Instagram, Facebook, YouTube, etc. have made it possible for anyone to create and be part of online communities where people can discuss MYL to share stories, photos, videos and other types of media. MYL has online presences on Twitter, Instagram, Facebook, among others. Alumni are encouraged to use any of these means to stay connected to your group, build your network and learn about what is happening with MYL and all our Alumni statewide.

To facilitate safe and positive connections and communications among the online community, MYL has adopted certain policies. As an alumni or staff member of Maine Youth Leadership I hereby agree to the following:

- As a MYL alumni/staff member, I recognize that I am a role model and representative of MYL and will not publish inappropriate information, comments, photos, etc. on any social media platform.
- I agree to be respectful of MYL, its policies, and members of the MYL community in all postings in profiles, blogs or any other electronic medium.
- I agree not to use social networking in any form to post or discuss content that is prohibited by MYL policy and general code of behavior, including but not limited to, alcohol or drug use, illegal or inappropriate behavior (e.g. cyber bullying), or any communication of a sexual nature.

I understand that Maine Youth Leadership reserves the right to remove any content from MYL related social media sites for any reason. I also understand that posting content or communication not in accordance with MYL Policies and/or this agreement may result in, but not limited to, being prohibited from the future use of MYL related social media sites.
